Discretionary Authority.

Approved:

Superintendent Name

Date

In accordance with regulations and the delegated authority provided in Title 36, Code of Federal Regulations ("36 CFR"), Chapter 1, Parts 1-7, authorized by Title 16 United States Code, Section 3, the following provisions apply to all lands and waters administered by the National Park Service, within the boundaries of Klondike Gold Rush National Historical Park — Seattle Unit. Unless otherwise stated, these regulatory provisions apply in addition to the requirements contained in 36 CFR, Chapter 1, Parts 1-7.

Written determinations, which explain the reasoning behind the Superintendent's use of discretionary authority, as required by Section 1.5(c), appear in this document identified by italicized print.

36 CFR §1.5 – VISITING HOURS, PUBLIC USE LIMITS, CLOSURES, AND AREA DESIGNATIONS FOR SPECIFIC USES OR ACTIVITIES

§1.5(a)(1) The following visiting hours, public use limits, and closures are established:

Visiting Hours:

- June 1 through August 31: 9:00am – 5:00pm
- September 1 through May 31: 10:00am – 5:00pm

Public Use Limits -- Pursuant to §1.5(d) to implement a public use limit, the Superintendent may establish a permit, registration, or reservations system:

- Food and beverages are not allowed within the visitor center, except in connection with a public gathering or special event for which a permit has been issued pursuant to §2.50 or §2.51.

Food and beverages attract pests which may threaten historic resources.

- Visitors may not leave property unattended.

For the safety of visitors and staff, and to prevent theft, all personal items (including luggage) must be kept with visitors at all times.

Closures:

- The following areas and facilities are closed to public use:

Park administrative, maintenance, operations, utility, and storage facilities including, but not limited to, access roads, outbuildings, and grounds. This closure shall not apply to persons engaged in legitimate Government activities or permitted business or cooperator activities.

In order to provide security for government facilities for which visitors have no need to access, these limits will address vandalism and theft issues.

- Launching, landing or operating an unmanned aircraft from or on lands and waters administered by the National Park Service within the boundaries of Klondike Gold Rush National Historical Park — Seattle Unit is prohibited except as approved in writing by the superintendent.
 - Definition: The term "unmanned aircraft" means a device that is used or intended to be used for flight in the air without the possibility of direct human intervention from within or on the device and the associated operational elements and components that are required for the pilot or system operator in command to operate or control the device (such as cameras, sensors communication links). This term includes all types of devices that meet this definition (e.g., model airplanes, quad-copters, drones) that are used for any purpose, including for recreation or commerce.

Use of unmanned aircraft is inappropriate, as the park has no exterior public spaces.

36 CFR §1.6 – ACTIVITIES THAT REQUIRE A PERMIT

§1.6(f) The following is a compilation of those activities for which a permit from the Superintendent is required:

§2.4(a)(2)(i) Carrying, using, or possessing weapons

Possession of firearms is prohibited in federally owned or leased buildings.

36 CFR §2.12 – AUDIO DISTURBANCES

§2.12(a)(4) Operating a public address system is prohibited, except in connection with a public gathering or special event for which a permit has been issued pursuant to §2.50 or §2.51.

The visitor center is an enclosed space, and the use of public address systems interferes with visitor use and enjoyment of the exhibits, interpretive programs, and films.

36 CFR §2.14 – SANITATION AND REFUSE

§2.14(a)(2) Using park refuse receptacles or facilities for dumping household, commercial or industrial refuse is prohibited.

Waste receptacles in the park are designed for day use only and are not of sufficient volume to accommodate larger items.

§2.14(a)(5) Bathing or washing food, clothing, dishes, or other property in public restrooms is prohibited.

Restrooms in the park are designed for disposal of human waste and sanitation of hands only. Bathing or washing food, clothing, dishes, or other property prevents other visitors from accessing facilities and creates potential sanitation hazards.

§2.14(a)(8) The disposal of human body waste is prohibited, except at the following designated locations or fixtures provided for that purpose:

- **Public restrooms located on both floors of the visitor center.**

The intent of this condition is to provide for a healthy, sanitary and aesthetic environment.

36 CFR §2.15 – PETS

§2.15(a)(1) Possessing pets in public buildings is prohibited

For the protection of the exhibits and other visitors, pets are not permitted within the visitor center. This subparagraph does not apply to guide animals accompanying visually-impaired or hearing-impaired persons, or to dogs used by authorized Federal, State and local law enforcement officers in the performance of their official duties.

36 CFR §2.21 – SMOKING

§2.21(a) The following portions of the park, buildings, structures and/or facilities are closed to smoking as noted:

- **Smoking is prohibited throughout the visitor center.**

These restrictions are intended to protect public health. Washington State law (70.160 RCW) prohibits smoking within any public facility and within twenty-five (25) feet of the door of a public facility.

36 CFR §2.22 – PROPERTY

§2.22(a)(2) Leaving property unattended is prohibited.

For the safety of visitors and staff, and to prevent theft, all personal items (including luggage) must be kept with visitors at all times.

Under this section, the superintendent may impound unattended property that interferes with visitor safety, orderly management of the park area, or presents a threat to park resources. Additionally, the superintendent may assess the owner reasonable fees for the impoundment and storage of property impounded pursuant to this section.

36 CFR §2.37 – NONCOMMERCIAL SOLICITING

§2.37 Soliciting or demanding gifts, money, goods or services is prohibited, except pursuant to the terms and conditions of a permit that has been issued under §2.50, §2.51, or §2.52.

36 CFR §2.50 – SPECIAL EVENTS

§2.50(a) Public spectator attractions, entertainments, ceremonies, and similar events are allowed, provided there is a meaningful association between the park area and the event, the observance contributes to visitor understanding of the significance of the park area, and a permit therefor has been issued by the superintendent.

§2.51(c)(2) The following locations are designated as available for demonstrations:

Interested parties are encouraged to contact the City of Seattle, Office of Special Events, for demonstrations immediately adjacent to the visitor center.

36 CFR §2.52 -- SALE OR DISTRIBUTION OF PRINTED MATTER
